SPEAKER

Perspectives of the forestry sector in Uruguay

10 de octubre – Hotel Hyatt Centric
Hora: 15:00 - 15:45

Acc. Diego Wollheim

General Manager of Montes del Plata

Born in Paysandú, 46 years old, Public Accountant, School of Economics and Administration of the University of the Republic. Postgraduate Diploma in Marketing from the University of the Republic.

Management Development Program - PDD - IAE - Austral University School of Management and Business - Pilar Campus - Buenos Aires - Argentine Republic.

He began his professional activity in 1994 at PriceWaterhouseCoopers, working as Senior Consultant for Uruguay/Paraguay in Business Consultancy - Management Support.

In 2001 he entered the forestry sector, working as Controller and then Administration and Finance Manager in the ENCE Business Group.

In 2009, he was appointed Administration and Finance Manager, and since March 2016, he has been General Manager of Montes del Plata, a Joint Venture formed by Stora Enso (Sweden/Finland) and Arauco (Chile), who in 2009 added to their activities in Uruguay the main assets of the ENCE Group through their acquisition.

He participated in multiple investment projects in Uruguay, including the construction of a Cellulose and Energy Plant integrated with a Port Terminal on the Rio de la Plata; a Port Terminal on the Uruguay River, two timber chipping plants, harvesting forest services, sawmill, land acquisition and forest plantations, a nursery, two industrial free zones, among others.
