FORO DE INVERSIÓN EUROPEA EN URUGUAY
EUROPEAN INVESTMENT FORUM IN URUGUAY

SPEAKER

Perspectives of bioforestry and bioenergies in Uruguay

10 October - Hyatt Centric Hotel
Hour: 16:45 - 17:30

Mr. Tilman Schachtsiek

Representative of the German Federal
Ministry of Food and Agriculture

Tilman Schachtsiek was born in Darmstadt, Germany and spent part of his childhood in Montevideo, Uruguay. Mr. Schachtsiek holds a BSc. in "Forestry and Forest Ecology" and a MSc. in "Tropical and International Forestry" both from the University of Göttingen, Germany. From 2009 to 2012, in the framework of his dissertation at the Center for Development Research, Bonn, he conducted a field experiment on the suitability of different tree species to afforest abandoned saline croplands in the Khorezm Region, Uzbekistan.

Later, Mr. Schachtsiek joint a company specialized in the production of Kiri trees (*Paulownia s.p.*) where he was in charge of the development of research projects and the management of short-rotation tree plantations in Europe. In 2015, Mr. Schachtsiek was responsible for managing the funding of international forest research projects of the German Federal Ministry for Food and Agriculture (BMEL) at the Federal Office for Agriculture and Food. In March 2016, Mr. Schachtsiek joined the division "Bioeconomy and Industrial Use of Biomass" at the BMEL where he is responsible for the implementation of the German National Policy Strategy on Bioeconomy.
